

NordMar Plastic – Final meeting 2022

Education and Outreach with Ocean Missions

Belén García Ovide
Founder and project manager at Ocean Missions

**Nordic Council
of Ministers**

What is Oceans Missions?

Conservation, Education and Research at the Edge of the Arctic (<https://oceanmissions.org/>)

We inspire people to take straight actions to save our oceans. We empower small coastal communities in the Arctic regions to aim for sustainability development and to protect their coasts and marine resources.

Eco tourism – travel with a purpose

Science – plastic monitoring and impacts on wildlife

Education – ocean literacy and sustainability

**Nordic Council
of Ministers**

NordMar fund 2021

- Ocean Missions Exhibition
 - Beach Clean up with schools
 - Inspirational workshop
 - Whales Sails and Science tours with Húsavík school
 - Video promotion
-

Lessons

What do we need?

- Bring the focus to the oceans
 - Local engagement
 - Connect kids to nature with a conservation approach
-

Call of action:

- To preserve the coastal landscapes before it is too late
- Awakening calls through education and outreach

**Nordic Council
of Ministers**
